Pigmachine

Dylan was going to the  
pigmachine. And the  
pigmachine makes toy  
pigs. And she needed  
the toy pigs for her kids.  
Because she had no toys  
and she knew there  
was a pigmachine somewhere  
in here,

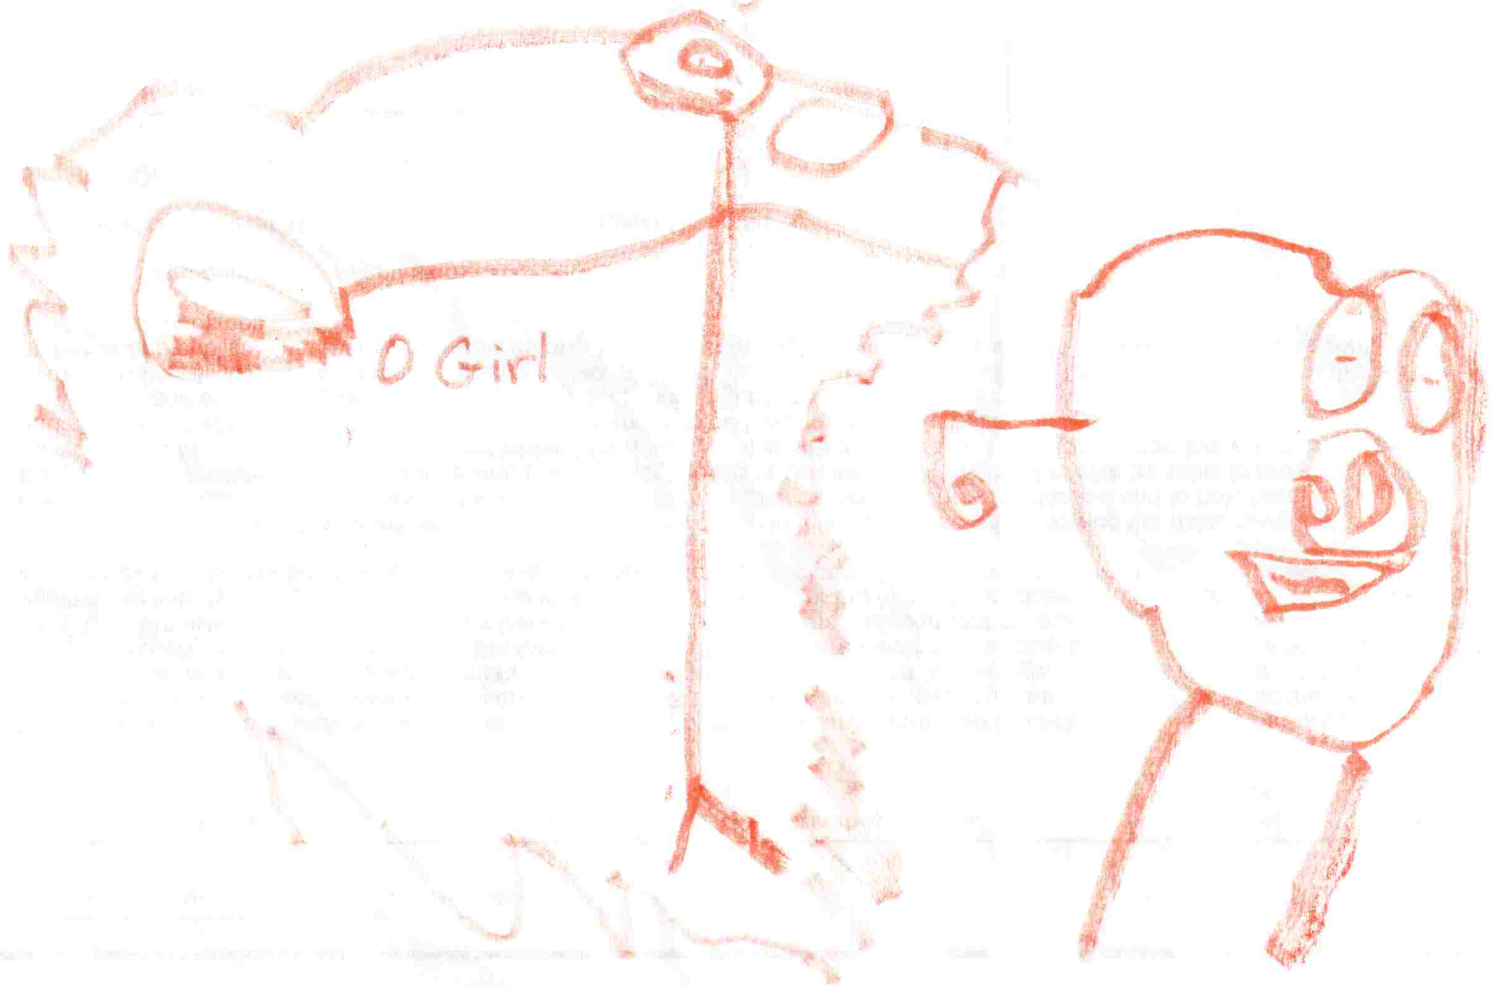

O G | M met a pig named pig.

O Girl didn't have any friends, so she went outside to look for some friends.

And the pig said, "Hello, O Girl."

And the pig said, "Hello, my name is pig."

And O Girl said, "My name is O Girl."

THE END

The milk  
tank said  
"What's  
going  
on?"

The boy  
said "Don't  
worry, it's  
just me."  
And the milk  
tank said  
"Huh."
